Misyonumuz

Sac, alüminyum, kompozit ve ahşap malzemeler ile farklı amaçlar için kullanılan tekneler üzerine tasarım bazlı çözüm.Sınıflandırma sertifikaları ve tersane danışmanlığını da kapsayan, zaman programlamalarına bağlılık garantisıyla her çeşit yüksek düzeyde teknik hizmet sağlamak.

Felsefemiz

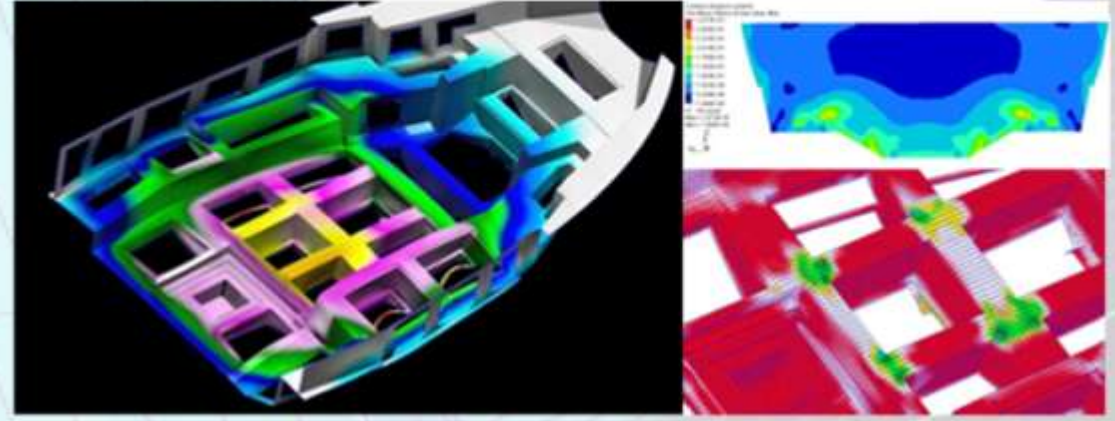

Projelerimiz, güvenlikten tekne konforuna, gövde optimizasyonundan yapısal ve sistemsel entegrasyona kadar her çeşit deniz aracını kapsamaktadır.

Ekibimiz, fonksiyon ve estetiği bir arada tutarak, mühendislik prensipleriyle projeleri sonuçlandırır.

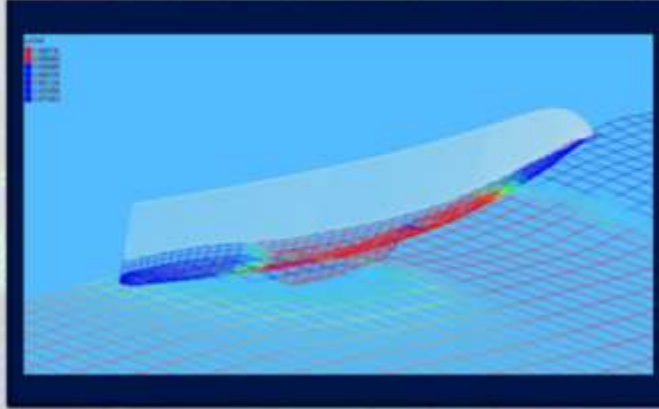

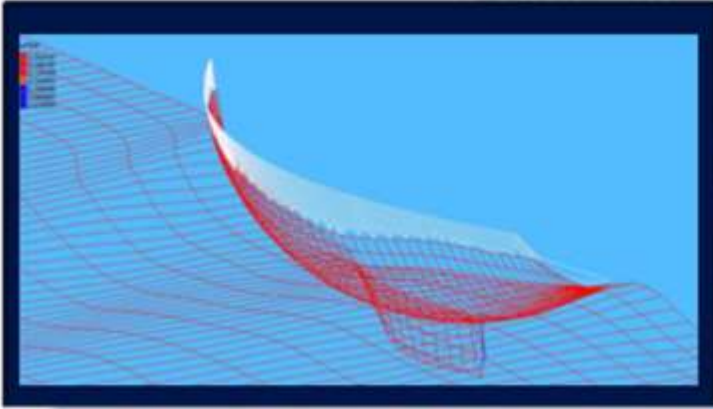

Araştırma Geliştirme

Araştırma, danışmanlık hizmetlerimizin ana parçalarından biridir.

Her taahhüt, 'Müşteri memnuniyetini en üst düzeyde tutmak' fikri ve tecrübe ile gösterilen çabanın sonucudur.
